

ANOTHER YOU

For Maryann

You know my thoughts, everything I do
What makes me smile, what makes me blue
But I'll never find, no matter how hard I try
Another You

You know my words, everything I say
Your tenderness surrounds me in every way, and
I will never, no, no I'll never find
Another You

Oh the first time that our eyes did meet
My heart surrendered to you
Oh and the first time I ever heard you speak
My heart, my mind, my soul became complete

So intertwined, so intimately
If ever I'm cut, it is you that I'll bleed
And I will never, never, never find
No I will never, never, never, never find
And I will never, never, never, never find
Another You
